#### WILL FIGHT GOEBELISM.

Brown Democrats Want the Election Law Repealed.

Tells of the Strong Feeling in

The Brown Democrats will keep up the fight against Goebelism even if the Goebel law is repealed and a fair law substituted for it. This is the statement of Hon. Arthur Wal lace, of this city, exassistant district attorney, and one of the most prominent men in Brown democratic counsels. It was started some time ago, in a local Goebel organ, that if a fair election law were passed at the special session, the Brown Democrats might withdraw their address requesting members of the organization to support Hon. John W. Yerkes, and might fall in line with the regular democrats.

Mr. Wallace says that the Brown democrats has no such intention. They are fighting for a principle. Mr. Beckham, he says, represents Goebelism and as its representative. can be supported honestly by no Brown democrat. The repeal of the election law and the enactment of a fair law is one of the things which the Brown democrats desire, but they on the Skin? Prickling Pain in the lso desire honesty in politics. By defeating Beckham for governor, they will be taking a big step in that

"You can say," said Mr. Wallace that until the mountains come to the sores to heal, itching of eczema to Mahomet, until the moon turns to stop forever, the skin to become clear green cheese and the world comes to and the breath sweet. B. B. is an end, the Brown democrats will not support Mr. Beckham."

Mr. Wallace says that the Brown Democratic Committee will probably open its headquarters in this city next week. Secretary M. H. Guerrant, the Brown Democratic Committee will be in charge.

### A Perfect Balance

Of mind and body was the Roman idea of perfect health. They defined this balance as "a sound mind in a sound body." A weak or sickly body tends to drag down the mind to its own level. Keep the body in health and the mind will take care of itself. The health of the body depends mainly on two of the body depends mainly on two things: A sound stomach and pure blood. Dr. Pierce's Golden Medical Discovery preserves the bal-ance of health, because it makes the stomach strong and the blood pure. People who had not had a well day in years, nervous of body, depressed of mind, have been per-fectly cured by the use of "Golden

Medical Discovery."

"During the summer and fall of 1856 I became all run down," writes Charles H. Sergeaut, Esq., of Plain City, Madison Co., Ohio, "nerves were out of order and stom ach was out of order. I wrote to Doctor Pierce for advice. He said I had general debility, and advised Dr. Pierce's Golden Medical Discovery: I used six bottles, and since I stopped taking it, about one year ago, I have not taken any medicine of any kind, and have been able to work every day. My appetite is good. I do not feel that burning in the stomach after eating, and my blood and nerves are in good shape." Medical Discovery."

Dr. Pierce's Med-ical Adviser, paper covers, is sent free only. Address Dr. Pierce, Buffalo, N.Y.

#### James, who traveled with Mr. Yerkes, the signs tell a different story. The enthusiasm with which Mr.

Yerkes was received, the crowds which gathered to hear his speeches, and their manifested endorsement of his statements, was enough to warrant the Republican leaders in the cities visited in feeling assured that a

Mr. Yerkes was seen last night and said: "I am perfectly delighted with the outlook for the coming election. The cities and towns I have visited have been for the most part democratic strongholds, but I found there a spirit of determination to have a free ballot and a fair count which I could hardly, and in fact, did not expect to find. If the enthusiasm throughout my trip is as great as it has been in the initial trip I see no reason for failure of the party at the polls in

Distorts Muscles, Shatters Nerves. Stiffens Joints.

Is due to an acid poison which gains access to the blood through failure of the proper organs to carry off and keep the system clear of all morbid, effete matter. This poison through the general circulation is deposited in the joints, muscles and nerves, causing the most intense pain.

Rheumatism may attack with such suddenness and severity as to make within a few days a healthy, active person helpless and bed-ridden, with distorted limbs and shattered nerves; or it may be slow in developing, with slight wandering pains, just severe enough to make one feel uncomfortable; the tendency in such cases is to grow worse, and finally become chronic.

Like other blood diseases, Rheumatism is often inherited, and exposure to damp or cold, want of proper food, insufficient clothing, or anything calculated to impair the health, will frequently cause it to develop in early life, but more often not until middle age or later. In whatever form, whether acute or chronic

acquired or Rheumatism is Strictly a Blood Disease,

in he rited, and no liniment or other external treatment can reach the trouble. Neither do the preparations of potash and mercury, and the various mineral salts, which the doctors always prescribe, cure Rheumatism, but ruin the digestion and break down the constitution.

A remedy which builds up the general health and at the same time rids the system of the poison is the only safe and certain cure for Rheumatism. S. S. S., made of roots, herbs and barks of wonderful solvent, purifying properties, attacks the disease in the right way, and in the right place—the blood—and quickly neutralizes the acid and dissolves all poisonous deposits, stimulates and reinforces the overworked, worn-out organs, and clears the system of all unhealthy accumulations. S. S. S. cures permanently and thoroughly, and keeps

the blood in a pure, healthy state. SENATE AND HOUSE.

Mr. J. O. Malley, 1:23 W. 15th Street, Indianapolis, Ind., for eighteen months was so terribly afflicted with Rheimatism he was unable to feed or dress himself. Doctors said his case was hopeless. He had tried fifty-two prescriptions that friends had given him, without the slightest relief. A few bottles of S. S. S. cared him permanently, and he has never had a rheumatic pain since.
